

## **Now I lay me down to sleep**

Now I lay me down to sleep  
pray the Lord my soul to keep  
and should I die before I wake  
pray the Lord my soul to take

Now I lay me down to sleep  
pray the Lord my soul to keep  
when the morning light me wake  
may the path of love I take

Dreams they rock me in my cradle  
I shall never be moved  
now it's time to close my eyes  
as I lay me down to sleep

Now I lay me down to sleep  
o sweet Lord please hear my plead  
for those I meet along the way  
take good care of them I pray

Dreams they rock me in my cradle  
I shall fear no more  
now it's time to close my eyes  
and I lay me down to sleep

Now I lay me down to sleep  
set my sails on oceans deep  
on the golden shore I'll wait  
don't you ever be afraid
